## GENERAL INFORMATION

**LOCATION** - The sale will be held at the Dighton Livestock Market Sale Pavilion, Dighton, Kansas. Dighton is located 24 miles east of Scott City on U.S. Highway 96, or 100 miles west of Great Bend.

**TERMS** - - The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE** - - All cattle will be sold under the guarantee as recommended by the American Shorthorn Breeders' Association. A certificate of registry and a signed transfer will be furnished for each lot sold, and an application for registry will be furnished for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

**LIABILITY** - - Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

**HEALTH** - - All cattle will be T. B. and Bangs tested, and official calfhood vaccination for Bangs disease has always been practiced. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go.

**MAIL ORDERS** - Those unable to be present and who desire to do so, may send buying orders to any of the following reliable men, all who will be in attendance:

Mervin F. Aegerter, Sale Manager, Seward, Nebr.

Ted Aegerter, Field Representative for the American Shorthorn Ass'n, Seward, Nebr.

Veryl Jones, Kansas City Daily Drivers Telegram, Clinton, Mo.

Mike Wilson, Kansas Farmer, Topeka, Kansas

Jim Orton, Kansas Stockman, Topeka, Kansas

Bill Stunkel, The Shorthorn World, Aurora, Illinois

## FROM THE OWNER ---

Since 1934, we have been raising Shorthorn cattle -- first as commercial breeders; and, for almost twenty years, as breeders of purebred Shorthorns.

Like many breeders, we have made a few false starts; but, in general, we have tried to select from stock that has proved its ability to maintain itself in this rugged High Plains climate without pampering and at the same time be of acceptable type.

We have never used a nurse cow and have made it a point to weed out the kind that cannot raise a thrifty calf and stay in reasonably good condition.

For the past eighteen years, we have followed a Brucellosis calthood vaccination program, with periodic testing of the entire adult cow herd. In all that time, we have never found a T.B. or Brucellosis reactor.

Once again, we are offering you the opportunity to select, without reserve, from our producing matrons including almost every cow over two years old.

One reason for this drastic reduction, naturally, is the adverse crop year we have had out here. The other, and main reason, is to adjust so as to give Howard a bigger chunk of the livestock end of the farm business.

We cordially invite you to attend our sale; and will appreciate very much any purchase, large or small, you may find it desirable to make.

I. J. Spitzer

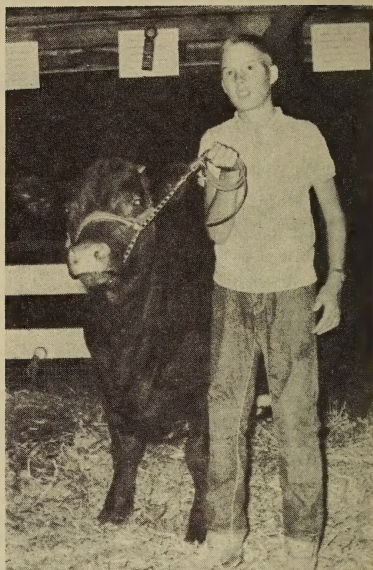

P.S. We suggest that you also attend the Henry Dietz sale at Wakeeney, December 6.

## HOTELS AND MOTELS

Plenty of hotel and motel accommodations will be found in the Dighton, Kansas area. We call your attention to the Airline Motel in Scott City, Kansas, as well as to the Robinson Hotel. In Dighton, you will find the Chapel Lane Motel accommodations, most adequate.

A number of good cafes in Dighton are also available.

## FROM THE SALE MANAGER

I. J. Spitzer is selling without reservation all females owned by him, over two years of age. Consequently, a great many outstanding producing cows are being offered.

The bulls include the 1961 Kansas champion, GREGG'S BOUNCE and 3 of his yearling sons. There will be 6 bulls by the 1958 Mid-Kansas champion, ELGONA ROBIN STANDARD, grandson of the International grand champion, N-Bar Prince.

There will be 14 daughters of the 1953 Mid-Kansas champion, THE CANDY KID, grandson of the \$8,000 Peerless Mercury, a Denver champion. There will be 4 daughters of SPRINGDALE CHALLENGER 16th, and this is the sire of Challenger's Bulwark that Keith Lauer of Abilene, Kansas purchased in the 1959 Bar Sigma sale for \$1,200 as a yearling bull. It was in last spring's sale at Salina that Keith averaged \$800 on the first four sons of this bull.

I. J. & Howard Spitzer have been diligent and very exacting herd bull buyers for a number of years and their good judgment has been reflected in their outstanding calf crops. In the 1962 National Sale at Denver, they purchased WILLOW WONDER, a grandson of Willow Lee Wonder 17th, grand champion bull of the 1953 Ohio State Fair and a member of the 1st place Get of Sire in the 1954 Chicago International. Here is the same blood that has been doing such a great job for Kansas State University, the University of Michigan, the University of Ohio and Penn State University.

A number of daughters of the Kansas champion, GREGG'S BOUNCE, sell in this sale, mated to Willow Wonder.

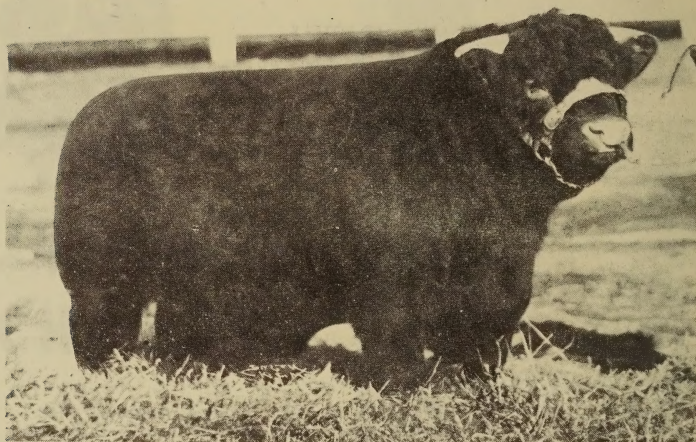

Here's an exceptional group of thick, beefy-bodied bulls and females that are being sold right off pasture, in strong breeding condition -- here's a sale that buyers from close by as well as from any distance, should make an effort to attend.

We'll hope to see a lot of our friends at Dighton on December 5th.

MERV AEGERTER, Sale Manager
